Class Agenda

We will be starting with a turns and leaps class, followed by dance choreo combination that will be used in our team dance. We are working on having a guest teacher once a week. Classes run Tues - Fri week one and Mon-Thurs week two. At the end of the session we will hold auditions for those who wish to tryout for the dance team. **You do NOT have to try out for the team.** You can attend camp just for fun.
